

AGENDA

CBEP BUS FORUM FINAL EVENT

6-7 JUNE 2023

(State 12.05.2023)

Introduction

The CBEP Bus Forum is the final event of the project and the celebration of the work done and achieved together. We count on your presence to make it a success!

In addition to the CBEP Bus Forum Final Event on the 7th June, in this agenda you can find a selection of activities and events to make the most of your participation.

The exhibition area offers a full program of *spotlight activities* with presentations, panel discussions, guided tours, and e-poster sessions. A whole sector at your service to bring you through the most to the most innovative and relevant topics around clean and zero-emission technologies. Have a look to the overview below (more in the [website](#)) and choose your program!

Please keep in mind that these activities take place at the UITP Exhibition area, and thus are not part of the Congress.

We look forward to welcoming you at the CBEP Final Event and the UITP Summit!

Overview

TUE, 6TH JUNE

Afternoon, Exhibition Area

Spotlight Forum Sessions

14.00-15.00 The modernisation of depot design and operations

Innovation in Spotlight

15.00-15.45 Enhancing cooperation to support clean bus deployment worldwide

Innovation Guided Tours

16.30 – 17.30 “On the road to greener cities with clean and zero-emissions buses”

You can find the whole program here

Wed, 7th June

Morning, Exhibition Area

CBEP Clean Bus Forum: The Final Event

9.00 – 13.00 CBEP Bus Forum, meeting room CC5.2.

Afternoon, Exhibition Area

14.00 – 15.00 Innovation Guided Tour “Towards the electrification of public transport fleets”.

Agenda

6TH JUNE

Afternoon session	
14.00-15.00	<p>Spotlight Session “The modernisation of depot design and operations”</p> <p><i>Hall 6, Spotlight Forum B</i></p> <p>This session takes place in Exhibition Area. Participation is free and no registration is needed.</p> <ul style="list-style-type: none"> Meet VG Mobility Perdomo, Voith, PSI, and Systra to learn how digitalisation can support optimising depot operation!
15.00-15.45	<p>Innovation in the Spotlight: “Enhancing cooperation to support clean bus deployment worldwide”</p> <p><i>Hall 7, Spotlight Forum A</i></p> <p>This session takes place in Exhibition Area. Participation is free and no registration is needed.</p> <p>Clean Bus Technologies have shown a great potential to decarbonize public transport in Europe and beyond. In this context, facilitating the exchange of expertise in the sector is a key factor for successful deployment of Clean Buses.</p> <p>In this session, participants will hear about the perspectives of different stakeholders how knowledge exchange and innovation initiatives play an important role to enable real implementation and collectively advancing the public transport sector worldwide.</p> <p>More information on the Exhibition Area program here: https://uitpsummit.org/exhibitor-programme/#/day/2</p>
16.30-17.30	<p>Innovation Guided Tour “On the road to greener cities with clean and zero-emissions buses”</p> <p>Alternative propulsion innovations and new design concepts are moving decarbonisation forward in road transport. During this tour, cleaner, energy efficient and more silent vehicles will be presented with participants able to experience the latest vehicles revealed by leading bus manufacturers.</p> <ul style="list-style-type: none"> Meet BlueBus, Daimler Buses, Ebusco, MAN Truck & Bus SE, SCANIA, and VDL Bus & Coach! <p>This tour is organised by UITP and it is open to all Global Summit participants.</p> <p>Participation is free but registration is mandatory as seats are limited (45 seats).</p> <p>More information and registration link here: https://uitpsummit.org/innovation-guided-tours/</p> <p>Registrations will open by 18th May – stay tuned!</p>

7TH JUNE

CBEP Bus Forum – The Final Event		
Meeting Room: CC5.2		
9.00 – 13.00	Plenary Session	Speaker
9.00 – 9.20	Welcome words	Dario Dubolino, DG-MOVE Umberto Guida, UITP
9.20 – 9.30	The CBEP journey	UITP
9.30 – 10.20	Target Cities, true stars of clean bus deployment <ul style="list-style-type: none"> - Spotlight on the achievements of Cities: lessons learned and next steps 	CBEP Cities
10.20 – 10.50	The CBEP Roadmaps: supporting Cities along the journey <ul style="list-style-type: none"> - Overview technical support activities 	Fabio Cartolano, FIT
10.50 -11.00	Coffee break	
11.00 – 11.30	Social Dialogue & the impacts of clean and zero-emission technologies on the workforce <ul style="list-style-type: none"> - Presentation of joint recommendations 	Eckhard Voss, wmp consult UITP, CBEP AB
11.30 – 11.50	A look to the CBEP and market evolution <ul style="list-style-type: none"> - Where did we start and where are we now? 	Julian Bopp, Sphera Riccardo Schiavo, SB
11.50 – 12.00	Keeping momentum for clean bus deployment <ul style="list-style-type: none"> - Networking and knowledge exchange support 	RC Polis
12.00 – 12.45	Round table: Quo vadis, clean bus deployment? <ul style="list-style-type: none"> - Future perspectives and challenges ahead 	Panel discussion with CBEP Cities and guests
12.45 – 13.00	Closing words & End of the event	EC UITP
13.00 – 14.00	Lunch	

7TH JUNE

Afternoon session	
14.00-15.00	<p>Innovation Guided Tour “Towards the electrification of public transport fleets”</p> <p>This tour will showcase the many technical developments that support the transition to zero-emission and push the performance boundaries of electric, road and waterborne vehicles. Battery packs, charging systems and vehicle and equipment innovations will be presented by technology providers sharing their knowledge about energy-efficient public transport.</p> <ul style="list-style-type: none"> ▪ ABB E-mobility ▪ Candela Technology ▪ Forsee Power ▪ Schunk Transit Systems GmbH ▪ Stertil-Koni <p>This tour is organised by UITP and it is open to all Global Summit participants. Participation is free but registration is mandatory as seats are limited (45 seats). More information and registration link here: https://uitpsummit.org/innovation-guided-tours/</p> <p>Registrations will open by 18th May – stay tuned!</p>
