

JOIN THE MOBIDATALAB CODAGON

THE FUTURE OF URBAN
MOBILITY IS IN YOUR HANDS

Don't miss your chance to make a tangible impact and help reshape cities for the better. Register today and bring your innovative solutions to life! [Register Here](#)

What is Codagon?

Emerging from the fusion of 'Code' and 'Agon' (Greek for competition), 'Codagon' embodies the powerful magic of innovation coupled with spirited competition

Calling all innovators

Start-ups, SMEs, independent experts, data scientists, researchers, software engineers and mobility experts, whether you've been part of our past MobiDataLab [Datathon](#) and [Hackathon](#) or not

Key dates to remember

- Codagon Kickoff: 06/11/2023
- Submission Deadline: 21/11/2023
- Pitching Sessions: 22-24/11/2023
- Award Ceremony: 27/11/2023

How to get involved

1. Form a team covering diverse skills
2. Register [here](#) and secure your spot
3. Develop your innovative solution
4. Submit your solution and get ready to pitch!
5. Await the winners announcement and the chance to see your solution come to life

Why would you participate?

- ✓ Three weeks of online development to work at your own pace before the live online pitches
- ✓ Regular panels of experts, technical assistance webinars, and direct contact with cities to support your work
- ✓ Onsite award ceremony enabling networking and recognition of your work through monetary prizes
